# Jurna Turismitalu – Jurna Recreation Farm

Built one hundred years ago as farm and fully restored by 2010 as touristic farm, Jurna Recreation Farm is situated 5 km from center of Kuressaare, the capital of Estonian island Saaremaa.

This farm is an excellent stopover while discovering the beautiful island of Saaremaa and attending events taking place in Kuressaare. The large gardens are surrounded by old stone walls and the main house and surrounding farm buildings are beautifully thatched. It is an idyllic setting, peaceful and quiet.

## Jurna Recreation Farm offers hunting trips on Saaremaa island

Jurna Recreation Farm has been working with the local hunting authority for nearly 13 years now and we have catered for hunters from countries such as Italy, Austria, Finland, Norway, Germany and others. The main game people come to hunt in Saaremaa is wild boar. The season for this particular animal lasts from 1st of June to 28th of February. However the best hunting time is from September to February. Also very popular is bird hunting (duck & goose). The season for this is from 20th of August to 30th of November. We have very good hunting conditions at reeded coastal grounds only 30-45 minutes by car from the accommodation. Inland goose shooting in the morning and in the evening. Shooting in the coastal areas 24 hours a day. Bagged birds belong to the shooter.

### Hunting seasons:

- 1.Roe buck 01.06 - 30.09
- 2.Roe and calf 01.09 - 15.11
- 3.Elk 15.09 - 15.12
- 4.Wild boar 01.06 - 28.02
- 5.Red deer 01.09 - 31.01
- 6.Bird shooting 20.08 - 30.11

If you are interested in joining us hunting in Saaremaa, to have a better idea about financial side of this endeavor, I have put together an approximate budget.
