Tourism statistics

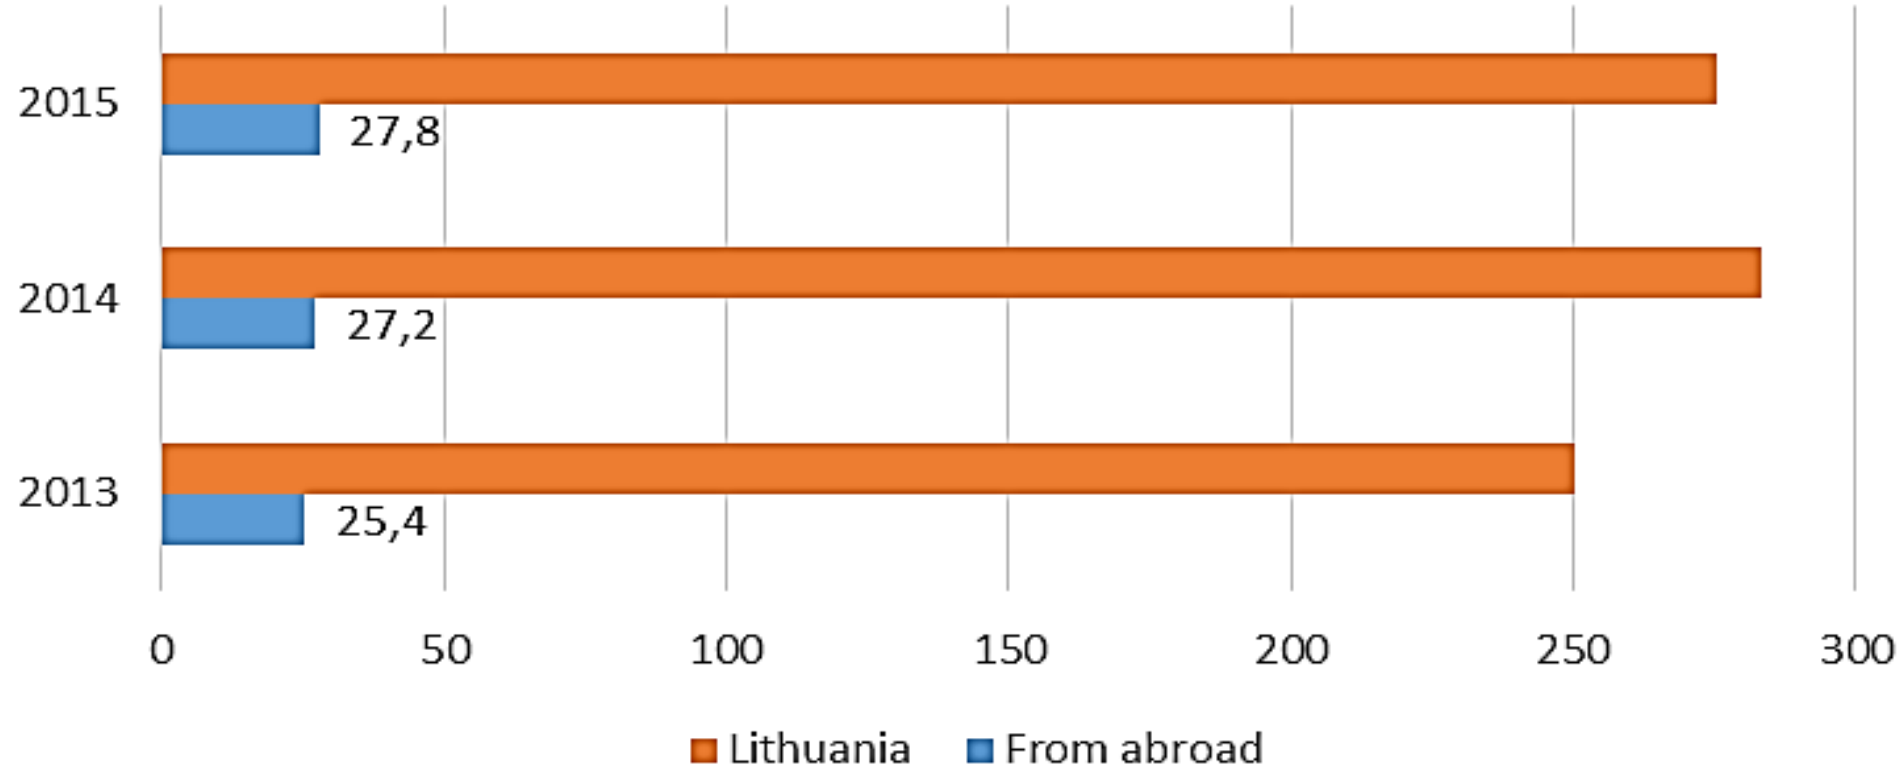

- There are 64 tourism information centers in Lithuania

Lithuanian Countryside Tourism Association

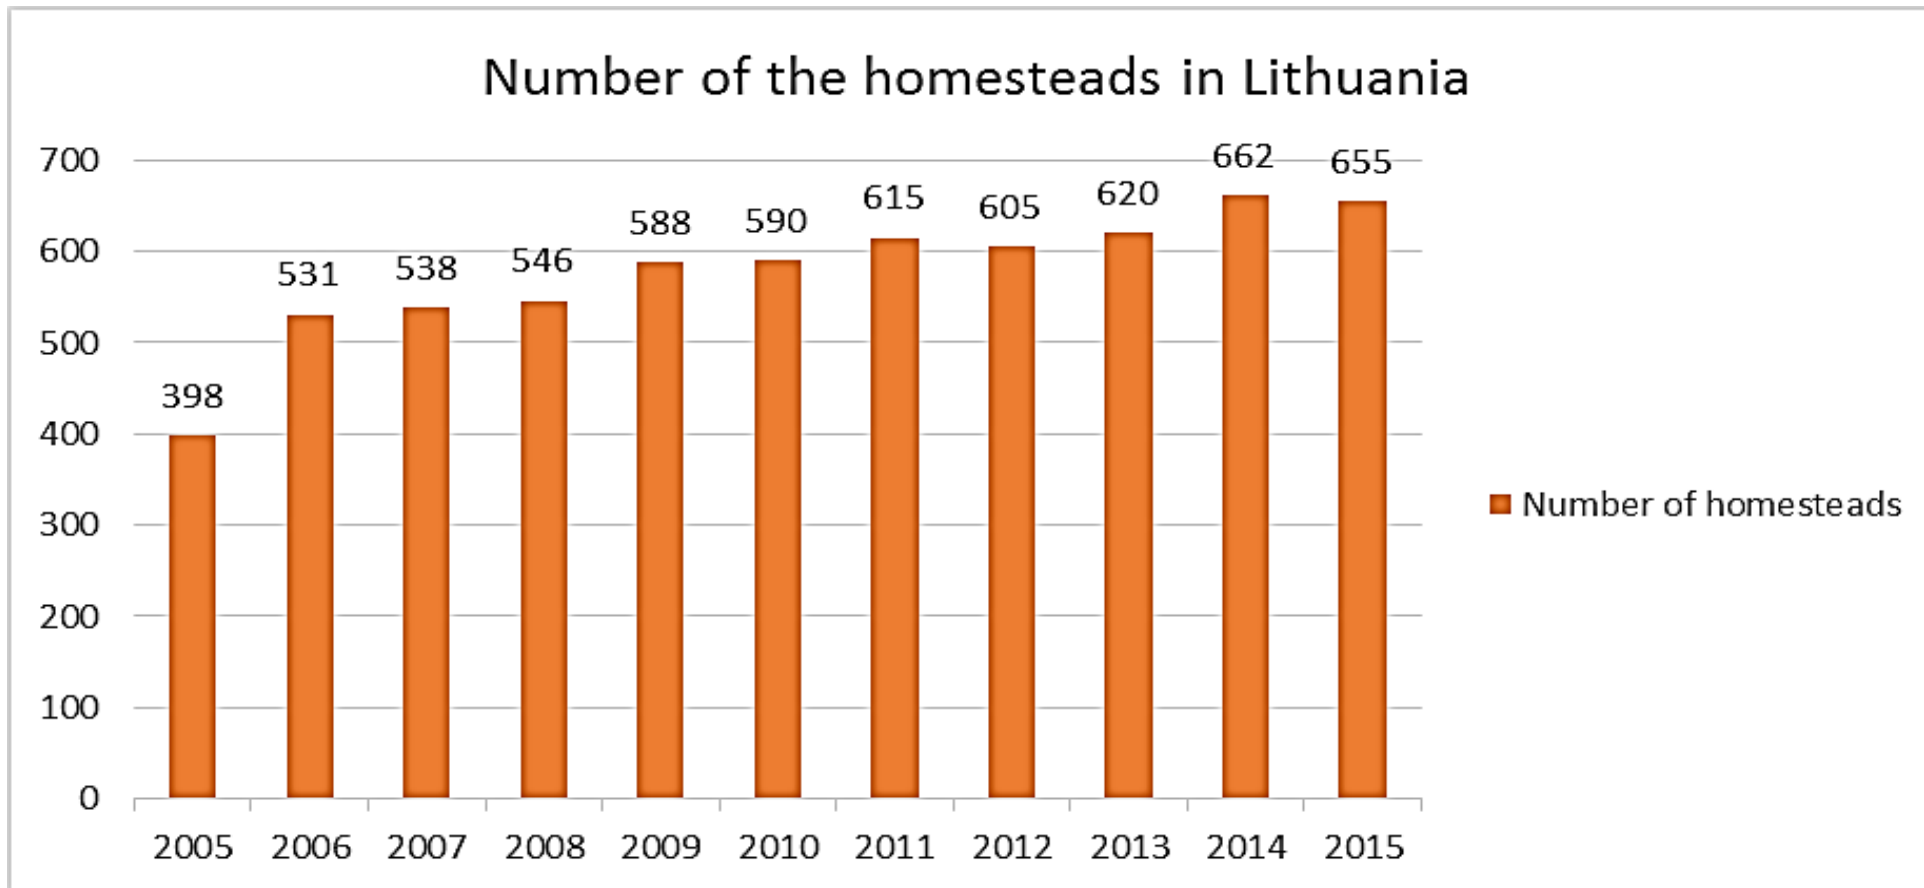

- To represent the interests of the Association members against any and all institutions and organizations;
- To coordinate activities of the Association members in developing rural tourism in Lithuania;
- To arrange workshops, conferences, fairs, methodical aids, information booklets on the issues of operation of the Association and its members;
- To improve the Association members' qualifications and arrange training sessions within the country and abroad;
- To analyze demand for rural tourism services within the country and abroad;
- To cooperate with analogous organizations in the Republic of Lithuania, other countries and international organizations and become a member of these organizations;
- To participate in developing and analyzing new draft laws of Lithuania governing activities of the Association and its members.

- Most of the tourists are local, foreigners just 9,2 % from all the tourists

Number of tourists accommodated in the rural farmsteads /*thousand*/

- Growth of the homesteads over the last 10 years
(*Statistics Lithuania, 2016*)

- A few years ago, 99% of homesteads were accommodation providers, who were **focusing on accommodation and hospitality quality**.
- **2015 started marketing** activities, because it is the potential for the activity providers in the rural territory.
- **There are 10 main specializations** of rural tourism:
 1. cultural recreation,
 2. wellness homesteads,
 3. family celebrations,
 4. environment-friendly homesteads,
 5. agro tourism homesteads,
 6. culinary heritage,
 7. active holidays,
 8. holidays for families,
 9. peaceful holidays,
 10. business events.

- Rural tourism homesteads in Lithuania are classified according to the level of service and comfort by using the system of storks:
- 1 stork – the lowest level,
- 5 storks – the highest level.
